We're looking for volunteers to help with our Sunday morning slides and livestream rotation. If you're comfortable with word processing, you can learn to run the slides; if you have video production skills, you can help with the livestream. Both roles are important ways to serve our church family and help others clearly hear the message of God's Word. - See Ron or Steven

TODAYS SERMON:

When Our Plans Collide With God's Plan

Genesis 11:1-9

In pride, we build life on our own terms (v. 1-4)

Truth: Our _____ puts us at the _____ and builds a life without _____ God.

God sees where our plans will lead (v. 5-7)

Truth: God _____ the end from the beginning, and even his _____ can be merciful.

God's grace changes our plans to accomplish his good purpose (v. 8-9)

Truth: God can _____ our plans and still carry out his gracious _____.

Summary Application: Turn from the pride that tries to build your own name, security, and future apart from God. Find your identity and lasting security in Christ, trusting him to lead your life and bring you into his eternal kingdom.
